Librarian of Newberry Library,
Chicago:-

Dear Sir, Knowing that the Newberry Library makes a specialty of Genealogies, I inclose herewith one which I picked up last August, from a descendant of Peregrine White, who was born on the Mayflower during her famous voyage. All that the lady had to give I have entered on pages 4-5 diagram, except other cousins, children of her uncle Nathan

I presume that I am entirely unknown to you: being in my 40th year I am naturally past on the shelf: as it is the City Library [illegible] in the Afternoon you can hear of me: and in the Education Rooms some remember that name was on 24 years Prof. of History in the High Schools. Many others can show the various works

Respectfully Yours
Edward Willard.
